Who we are

We are EUROPCAR France. We are a “Société par Action Simplifiée” incorporated in France under company number 303 656 847 and our registered office is located in Voisins-le-Bretonneux (78690), Parc d’Affaires “Le Val Saint-Quentin”, Bâtiment L, 2 rue René Caudron. We supply vehicle rental services under ‘Europcar’ brand.

Thank you for choosing Europcar to supply your rental vehicle needs. We hope everything will go very smoothly for you but, just in case it doesn’t, we have set out below a summary of:

- insurance that we include as part of our rental service because there is a legal obligation upon us to do so [I-General Terms and Conditions of Mandatory Third Party Liability Insurance provisions]; and
- the waivers that we make available to you because we want to be able to give you peace of mind during your rental [II-General Terms and Conditions of Protection Waivers].

These insurance and waivers are designed to cover your potential financial exposure to risks if any of the following circumstances occur while you are renting and using one of our Vehicles. Without them, you will be personally responsible for the financial consequences resulting from:

Liability to a Third Party For a bodily injury or death suffered by a third party or damage to their property that occurs because of an accident or incident that you may cause. Damage to a third party’s property could include buildings or their contents, machinery or personal possessions. The financial consequences of such liability may include the cost of any business interruption associated with either the third party’s injury or death and/or the damage to their property.

Damage to or theft of the Vehicle The Vehicle itself may be damaged as a result of a collision or an attempted theft and need to be repaired or it may be so badly damaged that it is irreparable; or it may be stolen and not recovered

You should be aware that if you are the driver of the Vehicle at the time of a collision and you are responsible for the collision taking place, the injured Passengers will be covered by our Third Party Liability insurance while your own injuries (together with the possible associated consequences of it) or death will not. You can, however, be protected from such circumstances if you purchase any of our Personal Accident protections separately.

DEFINITIONS

For the purposes of this document we have given the following words or expressions particular meaning:

abnormal use: means that your use of the Vehicle while you are in charge of it doesn’t comply with the Road Traffic laws that prevail and/or does not meet with the requirements of the General Rental terms and conditions and/or does not meet with the standards of driving that would be expected of a reasonable and prudent driver

Accident Report (“declaration d’accident”): means a full and complete signed statement (including any other related document(s)) which records all of the facts of an accident or incident as they occurred (for example, how the event occurred, the nature of the damage to the Vehicle, the location where the incident took place, the dates and circumstances of how these occurred, and, if applicable, the contact information for any third party(ies) involved and/or potential witnesses).

Baggage: Means the renter's and/or its passengers' travel bags and suitcases and the personal effects and belongings they contain, with the exclusion of merchandise. Personal effects include valuables worth five hundred euros (€500) or more as well as jewelry (natural pearls and cultured pearls, precious and semi-precious stones) and furs belonging to the renter and/or its passengers. Baggage includes laptop computers, electronic calendars, audiovisual equipment, cameras, video recorders and Hi-Fi equipment belonging to the renter and/or its passengers.

Bodily Injury (or bodily injury) means any physical or emotional injury suffered by a person that is caused as the direct result of an accident; it is not something that is intentionally self-inflicted and it does not result from sickness or disease

Book value: means the value that a Vehicle is recorded to be worth to us on our books at the time of the incident.

Collision means the impact of the Vehicle with another fixed or moving body or object

Excess amount is a specified sum of money that, provided you have complied with the General Rental terms and conditions and have not committed a breach of any applicable laws, is the maximum amount we will charge you for the cost of any damage caused to the Vehicle as a result of a collision during the rental period or its attempted theft; or the loss of a Vehicle if it is irreparable or if it is stolen and we do not get it back. The Excess amount is a non-waivable sum that is governed by the terms and conditions of the waiver you have purchased.

General Rental terms and conditions means the document you acknowledge that you have read and approved when you sign your rental agreement, which sets out the rights and obligations that will apply to both you and us throughout the rental period

Loss of Use describes the harm suffered by Europcar where a Vehicle is unavailable for us to rent to another customer because, as a result of a collision during the rental period it was damaged and we need to take it off the road to have it repaired

Passenger means any person *other than the driver* that is being transported or is travelling in or on the Vehicle on a gratuitous basis. A Passenger would be viewed as a Third Party under the mandatory Third Party Liability insurance regimes

Waiver (or protection) in this document applies to the means by which your financial liability for any damage to or loss of a Vehicle is limited to the non-waivable Excess amount.

Third Party means any party to an incident – other than the driver of the Vehicle. For the avoidance of doubt a Passenger is deemed to be a Third Party

Third Party Liability insurance means insurance that provides the driver of a Vehicle with protection against liability for another party's claims for damage to his/her property or for bodily injury or death arising out of an incident arising whilst you are using the Vehicle. This Cover is a mandatory legal requirement and it is therefore an integral part of our rental service. The cost of it is included in the rental charge.

Vehicle means the vehicle you will be renting from us or you will be driving with our authorization.

We or we/ Us or us / Ours or ours means Europcar

You or you / Your or your / Yours or yours means any named driver

I-GENERAL TERMS AND CONDITIONS OF MANDATORY THIRD PARTY LIABILITY INSURANCE PROVISIONS

We are mandated by the laws of all of the countries in which we operate our vehicle rental services to insure our Vehicles against liability for the claims or actions of Third Parties. We have purchased an adapted Third Party Liability insurance from the foremost insurers in the business and it is automatically included as part of our vehicle rental services. You will therefore, as a matter of course, be covered up to the level legally required by the country in which you are renting the Vehicle for the consequences *others* may suffer as a direct result of your actions while you are driving the Vehicle.

What am I covered for?

As provided by law you will be insured against liability for the financial cost of any of the following consequences that may arise as a result of an incident that you cause when you are using the Vehicle:

- bodily injury or death suffered by Third Parties; and
- property damage sustained by Third Parties and losses and costs arising as a consequence of the damage.

What is excluded from the cover?

Third Party Liability insurance does not cover:

- bodily injury or death that you (the driver at the time of the collision) may suffer; or
- any damage to or loss of your personal property or possessions; or
- any damage caused to the Vehicle
- the administrative costs of file processing.

What is the amount of my financial exposure for Third Party Liability?

Provided you have not committed a breach of any applicable laws (including any relevant road traffic regulations when you commit an offense that is personally attributable to you) then you will be covered for the financial cost of any Third Party Liability arising as the result of an incident or accident that you cause while you are driving the Vehicle up to the level legally required by the country in which you are renting the Vehicle.

However, if you didn't comply with those laws and/or regulations, even though our insurer will still fulfil its obligations to Third Parties under the Third Party Liability insurance policy, it may seek to recover from you some or all of the costs it may have paid to that Third Party as a result of the incident.

How to notify us?

In circumstances involving Third Parties it is important that you do your utmost to properly complete and sign an Accident Report ("*Constat d'accident*") form which gives us all relevant details of both the incident or accident and of the Third Party. This will allow us to defend our case against the Third Party (if you are responsible for the incident or accident) or to recover costs from the Third Party (if the Third Party is responsible for the incident or accident). The Accident Report form should be transmitted to us within five (5) working days of the incident or as soon as you reasonably can in the circumstances.

II-GENERAL TERMS AND CONDITIONS OF EUROPCAR WAIVERS

WAIVERS INCLUDED IN THE RENTAL

- **CDW – Basic Collision/ Damage Protection**

Our *collision damage protection* limits your financial exposure for damage caused to the Vehicle while it is in your care. If you purchase our standard collision damage waiver, You will be exempt from the cost of damage to the Vehicle that exceeds the Excess amount except:

- Voluntary act
- Any violation of the General Rental Terms and Conditions relating to the use of the Vehicle
- Any violation of the General Rental Terms and Conditions relating to the authorized driver of the vehicle and to its physical condition.

This protection does not cover the loss or theft of or damage to objects or property, (including Baggage or goods) that are deposited or kept or transported in or on the Vehicle by you or by a Passenger.

You can lower the Excess amount by opting for our superior range of theft protection - Super Collision Damage Protection, instead of our standard protection.

You will be invoiced for the cost of repairs — within the limits of the maximum excess amount — and for administrative fees for processing damages, for all Vehicles used throughout the rental period. The excess will be applied to each instance of damage produced to one single vehicle under the same rental contract, following a collision.

What does this protect me against?

This product protects your financial exposure for any amount greater than the Excess amount for the following combined costs related to:

- the cost of damage to or repair of the Vehicle or its book value if it is not repairable; and
- our Loss of Use in the Vehicle while it is being repaired or if it is not repairable

In circumstances where:

- you collide with a fixed or moving object or body; or
- the Vehicle is subject to an act of vandalism while you are driving or using it; or
- any glass lights or reflectors are damaged or broken or tires are damaged or punctured *during a collision*
- natural Disasters: you will be covered for the damage resulting directly from an event classified as a natural disaster according to the legal definition in effect. An excess amount, which is determined by Decree, will still be payable by the renter.

What is excluded from the protection?

- You will remain financially liable for the full cost of the damage to the Vehicle if the damage is caused:
 - by the willful acts of the driver; or
 - by an explosion or fire in (or to) the Vehicle because you are using it to transport dangerous goods (dangerous goods being *any product or substance that, due to its nature and/ or main characteristics, is*

reasonably considered to be dangerous and which, if not transported with appropriate caution and safety, could cause harm to the Vehicle, and to any Third Party within a reasonable distance of the Vehicle); or

- by its total or partial theft or an act of vandalism while the Vehicle is left parked unattended.
 - by your negligence (*which is behavior that falls below the standards expected of a reasonably sensible person in similar circumstances*) or the negligence of your Passengers (for example but not limited to a fire caused by the use or disposal of cigarettes or cigars);
 - in case of poor assessment of the size of the vehicle, damages produced to the chassis (impact above the windscreen line) and to the undercarriage (the part below the body of the vehicle and/or the chassis, facing the road),
 - because the keys are lost or stolen
- Loss of or damage to your own property that is being transported or kept in or on the Vehicle during the rental period.
 - The administrative costs of processing the file.

What must I do to benefit from the waiver?

You must:

- purchase the waiver;
- comply with the General Rental terms and conditions and all applicable law and local traffic regulation when you are driving the Vehicle;
- notify us within 24 hours of the date on which the incident took place and, in any event, before the end of your rental period. You must also return to us a full and complete Accident Report and/or any other document which you believe will be useful to support it.

What is the amount of my financial exposure?

If during your rental the Vehicle is damaged and you have not purchased this waiver you will have to pay for the total cost of the damage as well as compensation due to its loss of use.

We will calculate the average cost of light damage from the table matrix that you may consult in our agencies. If the damage is not listed in the table matrix (because it does not correspond to what is considered to be 'light damage' or it is not feasible to calculate the average price) then an independent expert will evaluate the damage cost which may be as much as the full Book value

However, provided you have complied with the General Rental terms and conditions and the applicable law and road traffic regulations then the maximum you will have to pay us is the Excess amount.

- **THW – Basic Theft Protection**

Our *theft protection* limits your financial exposure for loss of the Vehicle if it is stolen or if it is damaged because it is subject to an attempted theft or the Vehicle is subject to an act of vandalism while the Vehicle is left parked unattended during your rental. If you have purchased this waiver then, provided you have complied with the General Rental terms and conditions, we will pay for the costs arising from the theft, attempted theft, or act of vandalism that are greater than the Excess amount. You can reduce or eliminate the Excess amount by purchasing our Super Theft Waiver instead of the standard protection.

You will be invoiced for the cost of repairs — within the limits of the maximum excess amount — and for administrative fees for processing damages, for all vehicles used throughout the rental period. The excess will be applied to each instance

of damage produced to one single vehicle under the same rental contract, following attempted theft of the same, or upon loss of the vehicle should it be beyond repair or should it prove impossible for us to recover the vehicle following theft.

What am I protected against?

This product limits your financial exposure for any amount greater than the Excess amount for the following combined costs related to:

- The cost of damage or repair of the Vehicle or the book value of the Vehicle if it is not repairable or lost; and
- Our Loss of Use of the Vehicle while it is being repaired or if it is not repairable;.

In circumstances of:

- the theft of the Vehicle and any accessories following an occurrence of breaking and entering (*accessories being any standard component incorporated in or on the Vehicle by the car manufacturer*);
- the attempted theft of the Vehicle and of any accessories;
- any act of vandalism to the Vehicle while it is parked and left unattended by you;
- any glass or lights or reflectors that may be damaged or broken or tires that are damaged or punctured *as a result of the theft or the attempted theft*.

What is excluded from the protection?

The product will not protect you in the following circumstances:

- If the Vehicle is stolen or damaged because of your intentional negligence or more specifically (but without limitation) as a result of keys being left in the Vehicle while it is unattended or delivered to an unauthorized person; your failure to use the anti-theft system appropriately, failure to return the keys to us without justification or if you left the Vehicle unlocked when you weren't using it;
- Theft of or damage to personal effects and / or work-related goods or possessions and any goods being transported in or on the Vehicle.
- The administrative costs of file processing.

What must I do to benefit from the cover?

You must:

- ****purchase the protection;**
- ****comply with General Rental terms and conditions as they apply to the theft or attempted theft of a Vehicle**
- ****notify the local police of any incident or event immediately or as soon as is reasonably practicable and provide us with the police report or evidence that the theft has been notified to the police.**
- Notify us, through the pick-up agency, within 48 hours of the time you discover the Vehicle is missing and forward the keys to us at the agency where you picked up the Vehicle.

** these are the minimum requirements.

What is the amount of my financial exposure?

If, during your rental, the Vehicle is stolen or is damaged in an attempted theft or due to vandalism while the Vehicle is parked and left unattended and you have not purchased this waiver, then you will be liable for the full cost of the damage

to the Vehicle (if the Vehicle is recovered) or for the net value of the Vehicle if it is not recovered as well as compensation for the Loss of Use calculated according to the daily rental rate contracted by you multiplied by the number of days that the Vehicle has been stolen.

If you have purchased the theft waiver, provided you have complied with the General Rental terms and conditions, then the maximum you will have to pay us is the Excess amount.

What is the amount of my financial liability?

PERSONAL ACCIDENT & BAGGAGE PROTECTION

The following details are for information only and do not replace or supersede the terms and conditions of Axa Corporate Solutions policies (PAI #XFR0078448GP / SPAI #XFR0078449GP) copies of which can be found at [europcar.fr: http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections](http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections).

While we automatically include Third Party Liability insurance as part of our vehicle rental services (for details of this insurance please see the section [I] above entitled 'Third Party Liability Insurance General Terms and Conditions') this does not cover the bodily injuries suffered by the person driving the Vehicle at the time of a collision.

If you are the cause of a collision while you are driving the Vehicle you will therefore not be covered, by the rental car third party liability insurer, or by the third party public liability insurer for the financial repercussions of:

- personal bodily injury or death; or
- any damage to or loss of your Baggage or the personal property or possessions it contains.

In order therefore to minimize your financial exposure for such damage, loss or bodily injury in such circumstances we are offering two separate waivers which you can purchase on a non-cumulative basis.

- The first product (**Personal Accident waiver**) provides cover for medical expenses incurred as a result of injuries suffered; and /or a lump sum indemnity in the event of disability or death as a result of an event covered by the contract, or an accident).
- The second product (Super-Personal Accident & Baggage Protection) provides higher and best-in-class protection for medical expenses incurred as a result of injuries suffered; and /or a lump sum indemnity in the event of disability or death as a result of an accident or event covered by the contract in addition to Baggage cover.

The period of validity of these products corresponds to the dates indicated on your rental invoice with a maximum of one hundred twenty (120) consecutive days.

PAI – Personal Accident Protection

What am I covered for?

Under this *Personal Accident Protection* you will be reimbursed for the financial consequences resulting from your death or any bodily injury directly caused by a collision that occurs when you are driving the Vehicle:

- a lump sum payment of up to a **maximum of fifty thousand euros (€50,000)**
 - in the event of your death (or presumption of death) within twenty-four (24) months of the collision or incident; or

- if you ultimately remain partially or totally disabled from the consequences directly related to the collision or incident;
- medical expenses of up to a **maximum of two thousand five hundred euros (€2,500)** (which includes hospitalization, consultations and pharmaceutical costs; X-rays and relevant medical tests; dental treatment or any prosthetics) necessitated by the collision or incident.
- Provided you have purchased this insurance, the coverage will apply to you and/or Passengers in the Vehicle who are victims of the collision during your rental.
- You can benefit from this insurance irrespective of who is at fault for the collision according to the following situations:
 - Passengers, who are always considered as third party under the third party liability insurance regime may be indemnified by the third party liability insurance, but they can also collect the lump sum indemnity they are entitled to under the Personal Accident Insurance
 - If you are not the cause of the collision while you are driving the Vehicle (a **“not-at-fault” driver**), you can cumulate the third party liability insurance compensation, but you can also collect the lump sum indemnity you are entitled to under the Personal Accident Insurance,
 - If you are the cause of the collision while you are driving the Vehicle (an **“at-fault” driver**), you won't benefit from a compensation from the third party liability insurance, but can collect the lump sum indemnity you are entitled to under the Personal Accident Insurance.

What is (mainly) excluded from the insurance?

This Personal Accident Protection does not cover:

- any of the costs set out above if the expense was not incurred as a direct result of the collision or incident occurring while you were in control of the Vehicle or if you intentionally caused or brought about the accident or collision; or
- any costs relating to treatment you were receiving or medical conditions you were suffering from before the accident or incident occurred; or
- any damage to or loss of your Baggage; or
- any damage caused to the Vehicle

A complete summary of the coverage provided by this Personal Accident Insurance can be found at europcar.fr.

- The administrative costs of file processing.

What is the amount of my financial exposure?

Provided you comply with applicable laws (including any relevant road traffic regulations and, in particular, relating to the wearing of seat belts and not exceeding the official passenger capacity of the rented vehicle) then you will be entitled to the protection up to the indemnity limit shown above.

However, if you didn't comply with the laws and/or regulations in effect, then our insurer may refuse the coverage altogether. For instance if seven (7) people are injured in a five (5) seater vehicle then the Personal Accident Protection will not apply at all. Or, if it can be shown that you were even partially responsible for the level of bodily injury suffered in the collision or incident, it may seek to reduce its liability for the costs.

How to notify us?

It is important that you do your utmost to properly complete and sign an accident Claim Form which will be made available on our website [europcar.fr](http://www.europcar.fr) (<http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections>).
