GENERAL TERMS AND CONDITIONS OF HIRE

SUMMARY OF YOUR TERMS AND CONDITIONS OF HIRE*

** General Information, in accordance with the Order dated 17 March 2015 regarding precontractual information for consumers and publication of prices of vehicle rental services*

- **Terms and Conditions relating to length of time driver's license has been held:**

The minimum period for holding a French driver's license is one year. This length may vary according to the category of Vehicle rented. All the details are set out in the table in Article 2 "Who can rent and who can drive?".

- **Information regarding rental prices and possible surcharges applicable in train stations and airports:**

Our tariffs are set mainly according to the length of your rental, and the category of Vehicle rented. Surcharges may also be applied if You collect your Vehicle from a Europcar agency at a train station or airport. You will find all the information to enable You to understand the pricing structure applied in the Recommended Tariffs Guide attached to Your confirmation email (if a rental reservation is made online) and available from a Europcar agency and/or on the Europcar website.

- **How fuel is billed:**

The Vehicle must be returned with the same amount of fuel as that stated in your rental agreement when leaving the rental agency. Before your departure from the rental agency, we advise You to confirm if the amount stated in Your rental agreement corresponds to that indicated on Your Vehicle's fuel gauge. Any difference in the amount of fuel in relation to the amount stated in Your rental agreement must immediately be flagged at the agency from which You depart.

Any Vehicle returned with an amount of fuel lower than that present upon departure from the agency will incur a refuelling charge the amount of which is mentioned in the Recommended Tariffs Guide in addition to the price of the fuel, which is billed according to the price per liter shown at the Europcar Agency on the day of return.

Europcar also offers an additional service allowing You to avoid having to fill up before returning your Vehicle. For more details, please see article 18 "What is the fuel policy?".

The deposit is intended to cover additional rental costs.

If You have not already paid for Your rental when You made the reservation, the rental cost will also be blocked to your credit card. In this case, the amount blocked to your credit card will be the rental cost plus EUR 300 EUR or EUR 800 (or the equivalent in local currency) based on the type of Vehicle or if you rent a vehicle with Keddy by Europcar. The deposit shall be released at the end of your Rental Agreement if no other costs are payable. When You pick up the Vehicle from Europcar You will be asked to sign, among other things, a section of the Rental Agreement that describes the Vehicle's condition at that particular time.

If You notice any apparent defect or Damage that is not described on the Rental Agreement then You should ensure a note is made on the document and that both You and the Europcar agent sign the change made to this section. Failure to request the above mentioned notice for this additional apparent defect or Damage, Europcar is entitled to assume that You have accepted the Vehicle in the condition set out on the Rental Agreement and to charge You for any new Damage that could be noted by You and the Europcar agent when the Vehicle is inspected at the time of its return.

11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

a) Return of the Vehicle during business hours of Europcar's agency

You should return the Vehicle to the Europcar agency, at the latest, on the date and time shown on the Rental Agreement. You may return the Vehicle to another Europcar agency for the cost indicated in the quotation sent to you.

Any unauthorized return of the Vehicle to another Europcar agency ("One way") may lead to your being billed for invoiced in the form of additional fees. For more information as to the amounts billed please see the Recommended Tariffs Guide attached to your confirmation email if you have made a reservation online which can be consulted in the agency and/or on the Europcar website.

The Rental Period will end when You return the Vehicle to the Europcar agency and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle prior to the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle return report.

Europcar cannot be held liable for any property and/or objects You may have forgotten in the Vehicle.

- Charge for early return of Vehicles

GENERAL TERMS AND CONDITIONS OF HIRE

For prepaid reservations:

For business clients (B2B), reservations paid at the station agency and for which You pay at the end of the Rental Period, Europcar can charge you for early return of the vehicle in the amount stipulated in the Recommended Tariffs Guide.

Such charges correspond to the cost to Europcar due to the fact that we are not able to rent the Vehicle to another person during the remaining period of your commitment to Europcar.

b) “Out-of-hours” return Service

Europcar recommends returning the Vehicle during opening hours of its agencies. However, to meet the specific needs of some of its customers, Europcar offers, in certain agencies, an additional “out-of-hours” service.

If You opt for this “out-of-hours” service, You accept that the Vehicle condition report can be drawn by the Europcar agent or its representative without Your presence and after drop off of the keys.

In agencies offering “out-of-hours” return services, the above-described procedure (see point 11)-a) above) was adapted to enable these agencies to offer this service in the best possible conditions.

In particular, You have to declare any incident and/or Damage that affects the condition of the Vehicle on the document that was given to You for this purpose when You picked up the Vehicle.

Depending on the available systems and the information You have received from Europcar, this document must be left in the Vehicle or returned with the keys in the “keys drop-box” provided for this purpose.

Please note that your Rental Agreement does not automatically end when You drop off the keys and that the Vehicle will remain in the parking space where You parked it until opening of the Europcar agency that will inspect the Vehicle and close out your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle in a space provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as recommended by the Highway Code. You must also leave the Vehicle registration papers in the glove box.

Providing that the Vehicle is inspected at a later stage – during opening hours of the agency – Europcar recommends that You take photographs of the Vehicle in order to retain evidence of its condition once it is parked and before the drop off of the keys. Please be aware that such photographs must clearly show the date and the time in order to be evaluated by Europcar.

Europcar cannot be held liable for any property and/or objects You may have forgotten in the Vehicle.

c) Return of the Vehicle during opening hours of Europcar’s agency with an inspection in your absence.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorized to inspect the Vehicle without your presence and to register your inability or refusal to take part in a mutual inspection.

The same Procedure as the one described above will apply (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date shown on the Rental Agreement, and if a period of 24 hours elapses during which You have not provided any news regarding the delay in its return, Europcar shall regard the Vehicle as having been unlawfully appropriated and will be entitled to file a complaint with the competent local authorities.

GENERAL TERMS AND CONDITIONS OF HIRE

In such case Europcar will be entitled to:

- charge You an additional day for each rental day at the rental tariff in effect, plus a fixed fee of EUR 50 net per day during which the Vehicle is kept beyond the rental period, unless You can demonstrate that You no longer have the Vehicle at Your disposal through no fault of your own or that the non-return of the Vehicle resulted through no fault of Your own.
- claim from You compensation for all Damage and losses suffered by Europcar, and the fines, tolls, penalties or sanctions owed with respect to the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying the circumstances relating to a breach or criminal offence. Bill You for the administration fees if the Vehicle is returned late.
- Europcar may also start legal proceedings in order to claim the immediate return of the Vehicle. Please note that, in such case, protections and additional contractual services have no effect.

12) DAMAGE TO THE VEHICLE

In the event of differences between the condition of the Vehicle as described when picking it up and that identified upon return, You may have to pay the amount as defined in the rules below).

a) Damage identified upon return of the Vehicle and in Your presence

If Damage is identified upon the return of the Vehicle when the inspection is made, in Your presence and in the presence of the Europcar agent or its representative, and if You acknowledge said damage by signing the statement of return of the Vehicle, Europcar will give You an assessment of repair costs that may be charged to You.

Repair costs vary depending on whether or not it is classified as Light Damage:

- Light Damage (minor damage caused to the Vehicle without altering its rental and capable of being driven in accordance with the rules of the Highway Code such as: light impact on windshield) is charged, in addition to Damage administration fees, according to the Maximum Recommended Tariffs Guide for damaged or missing components and Vehicle loss-of-use costs.
- Any other Damage not included in the Maximum Recommended Tariffs Guide for damaged or missing components mentioned above and / or any other serious Damage (i.e., significant Damage altering the Vehicle's rental and requiring its temporary loss-of-use for repair such as: damage to bodywork), will be evaluated by an independent expert and charged according to the expert's report or a cost estimation made with an independent auto-repair garage. Damage administration fees, in line with the Recommended Tariffs Guide, and Vehicle loss-of-use costs, will also be added to the amount of serious Damage assessed.

You will be invoiced for the cost of repairs — within the limits of the excess amount — and for administrative fees for processing damages, for all vehicles used throughout the rental period. The excess amount will be applied to each item of damage produced to one single vehicle under the same rental contract, following distinct events, a collision of the attempted theft of the same, or upon loss of the vehicle should it be beyond repair or should it prove impossible for us to recover the vehicle following theft.

If You challenge the Damage and the invoicing thereof by refusing to sign the statement of return of the Vehicle, Europcar will apply the procedure described in Article 12)-e) below.

b) Damage identified in Your absence

GENERAL TERMS AND CONDITIONS OF HIRE

If Damage is identified during the inspection of the Vehicle by a Europcar Agent or its representative in Your absence, Europcar will send to You the following documents:

- pictures of said Damages
- An estimate (quote) of the costs of repair of said Damages that will vary depending of the nature of the Damage (see above, article 12)-a) paragraph 2) and administration fees for the treatment of the Damages and the Vehicle loss-of-use.

You will be able to challenge Damage identified and the invoicing thereof within fourteen (14) days after the sending (by e-mail or regular letter) of said documents.

If You fail to challenge or provide supporting documents within the above-mentioned period of fourteen (14) days, Europcar reserves the right to invoice You the cost of the repairs identified.

Europcar also gives You the opportunity to obtain a second expert opinion, at Your own expense. The automobile expert must be selected from the independent experts' association, which you will find at the following link: <http://www.securite-routiere.gouv.fr/connaitre-les-regles/le-vehicule/la-liste-nationale-des-experts-automobile>.

You will be invoiced for the cost of repairs — within the limits of the excess amount — and for administrative fees for processing damages, for all vehicles used throughout the rental period. The excess amount will be applied to each item of damage produced to one single vehicle under the same rental contract, following distinct events, a collision of the attempted theft of the same, or upon loss of the vehicle should it be beyond repair or should it prove impossible for us to recover the vehicle following theft.

c) Common provisions

Please note that depending upon the Damage suffered by the Vehicle and the type of protection You have purchased with Europcar (see the Europcar Insurance & Waivers Provisions attached to Your confirmation email or available from all Europcar stations agencies and/or on Europcar's websites) You may or may not be charged for the full or partial amount of the cost of repair.

In any case, You will be able to contest any Damage and the invoicing thereof pursuant to the provisions of article 23 "*What happens in case of dispute related to my rental?*".

Where the circumstances involve Third Parties, it is important that You duly complete and sign an accident report providing us with full details of both the incident / accident and the Third Party.

In case You want to extend the Rental Period shown on Your Rental Agreement You may:

- For any extension of less than 24 hours, either give a call to the Europcar agency of check-out or go to the Europcar agency of check out
- For any extension longer than 24 hours, You must:
 - Inspect the Vehicle together with a Europcar agent
 - Pay the rental as well as any additional charges
 - Sign a new Rental Agreement or an addendum to the initial Rental Agreement.

If You don’t comply with the above mentioned conditions, the rules set forth in Article 11 (“*What procedures are being applied when returning the Vehcile*”) will apply.

18) WHAT IS THE FUEL POLICY?

The rules applicable to fueling and refueling of a Vehicle depend on the country of rental and the type of rental product you have selected. Please check carefully the rules applicable for every rental you make. Please ask Europcar’s agent for details of all available options when you collect the Vehicle.

GENERAL TERMS AND CONDITIONS OF HIRE

All Vehicles are supplied with a full tank of fuel at pick up. Two options may then be made available to You:

FULL TANK OPTION

- At pick up you pay for the price of a full tank of fuel. The price of this will depend on the Vehicle category.
- You may return the Vehicle with whatever fuel is left in it.
- Whilst Europcar will not charge you for refuelling the Vehicle, Europcar will not reimburse you for any unused fuel.

FULL TO FULL

- We provide you with a Vehicle with a full tank of fuel
- You return the Vehicle with a full tank of fuel ⁽¹⁾
- You pay nothing for either refuelling service charge or fuel ⁽²⁾

⁽¹⁾ At return, to consider the tank as full, different rules are applied depending on the kilometers driven during the rental.

- **You drove less than 100 km:** A valid station ticket will be asked as a proof of refuelling to justify that the tank is full.
- **You drove more than 100 km:** The visual level of the gauge will be used as a proof of full tank. The tank is considered full if the fuel gauge is at maximum level (8/8).
- A ticket is considered valid **as regarding the refueling date, the location of the petrol station and the amount refueled**. You should refuel a tank at a petrol station situated no more than 25 kilometers from the Europcar's agency of return of your Vehicle. Please ask Europcar's agents at the agency for additional information on ticket validity.
- ⁽²⁾ **If the tank is not full**, you will be charged for fuel following two methods of refueling charges calculation depending on the kilometers driven during the rental. Please note that the price per liter and fuel type will be communicated by Europcar's agents at the agency when returning the Vehicle.
- **You drove less than 100 km:** You will be charged based on the average consumption of the Vehicle for the distance driven during the rental. The average consumption is expressed for 100 km and depends on the Vehicle model. Please ask Europcar's agents at the agency for additional information on average consumption of the Vehicle model that You rent.
- **You drove more than 100 km:** You will be charged based on the visual level of the fuel gauge. The calculation is based on the missing 8th expressed by the gauge if the gauge is divided in 8 levels or according to the scale indicated on the gauge. If the needle is between 2 graduations, the missing 8th will be calculated based on the closest graduation. If the needle is precisely in the middle of 2 graduations, the missing 8th will be calculated based on the highest graduation (in Your favor). For example you will not be charged in case the vehicle is returned with the gauge at or above 7.5. See below for an example of fuel charge calculation.
- If the gauge is between 7 and 8 when returning the Vehicle, You will be billed to the closest missing 8th.
- E.g.: if the gauge indicates 7.3 when returning the vehicle, you will be billed for one-eighth.

- If the gauge is below 7 when returning the Vehicle, You will be billed to the closest missing 8th.

GENERAL TERMS AND CONDITIONS OF HIRE

E.g.: if the Vehicle is returned at 5.8, You must pay two-eighths.

If the gauge is between 7 and 8 at return, you will be charged if the gauge is closer to 7

e.g. if the vehicle is return at 7,3 you are charged for one 8th

If the gauge is under 7 at return, you will be charged **to the closest missing 8th**

e.g. if the vehicle is returned at 5,8 you are charged for two 8th

Regardless of the refueling charges calculation method: If more than seven liters are missing when You return, You will be charged for an additional refueling service charge (please refer to the Recommended Tariffs Guide). If less than seven liters are missing when You return, you will not be charged for an additional refueling service charge
